A HIGH-PROFILE EVENT

The business world is focused on Jerusalem during Summit Week

February 1, 2018
Jerusalem (AP) – When Israeli venture capitalist Jonathan Medved launched his OurCrowd funding platform five years ago, he billed it as a novel way to give individual investors a piece of the action on the country's vibrant start-up scene, traditionally the playground of well-heeled venture funds.
Now his firm has burgeoned into a \$650 million behemoth.

ABOUT OURCROWD

OurCrowd is a global venture investing platform that empowers institutions and individuals to invest and engage in emerging companies

The most active venture investor in Israel, OurCrowd vets and selects companies, invests its capital, and provides its global network with unparalleled access to co-invest and contribute connections, talent and deal flow.

OurCrowd builds value for its portfolio companies throughout their lifecycles, providing mentorship, recruiting industry advisors, navigating follow-on rounds and creating growth opportunities through its network of multinational partnerships.
